

Hi! Nice to meet you ...

I'm Matilde a Portuguese Graphic Designer.
For me, Design is not only about making stuff look great (well, that it is part of it), is about creating work that makes a connection with people, engage audiences with "my" designs and drive ideas to action.
I am striving to become great in what I do, and I put all I have in the challenges that are in front of me.

What I have been doing

Junior Art Director
B-Reel - Berlin
February 2017 - Present
