

Matilde Rosa | Visual Designer

www.matilderosa.com

Hi! Nice to meet you ...

I'm Matilde, also known as the designer you are looking for!

For me, Design is not only about making stuff look great (well, that it is part of it), is about creating work that makes a connection with people, that makes a difference. Design is engaging audiences is to drive ideas to action. My goal is to be the best Designer that I can ever be and help to make an impact in today's, tomorrow and future world.

What I have been doing

Junior Art Director / B-Reel - Berlin

February 2017 - Present

Creation of Visual Material and Moodboards for several companies, such as Youtube, Google, and Vattenfal. Creative sessions for ideas and concepts for diverse pitches. Motion Design basics and Interface Design.

Graphic Designer / Steeeg - Berlin

March 2016 - December 2016

Creation of brochures and magazines, such as image manipulation, structure of the content and Design. Creation of several illustrations and icons for diverse projects.

Visual Designer / Digisource - Lisbon

January 2015 - July 2015

Production of graphic material such as logos, flyers, screens, magazines for various companies. Cooperation in the creation of the contents of Brochures, informative material, icons, image processing and execution of the artwork.

Graphic Designer Internship / Vital - Lisbon

October 2013 - December 2014

Responsible for the Redesign of the company identity: logo, catalogue, magazine, newsletter. Creating a new company disclosure of resources, information contents update. Support in the design of materials for fairs and events.
